Sports Information Sheet

Please read carefully before signing up for Softball and/or Volleyball.

- ◆ **HOLD HARMLESS AND INDEMNIFICATION.** Every employee who is participating in this league must sign a Hold Harmless and Indemnification Agreement before registration is valid. If additions to your roster become necessary during the season, an updated Hold Harmless and Indemnification form must be submitted to the Sports Director prior to play. Failure to sign the form before entering a game will result in disqualification of the entire team for the season, as well as revocation of privileges to use the recreational facilities for all members of the team.
- ◆ **DISQUALIFICATION.** Parking in the Vance parking lot (private property) is strictly prohibited. Anyone found doing so is subject to disqualification from use of the recreational facilities for the season. The designated parking area for sports activities is 300 Knightsbridge Parkway.
- ◆ **FEES AND FORMS.** Entrance fees AND Hold Harmless and Indemnification forms are due upon registration and must be received in the Center Leagues Sports office no later than May 4th. Registrations received without fees and the completed hold harmless and indemnification form will be returned to sender. Checks for softball and volleyball should be made payable to Center Leagues Sports Association (Checks Only—No Cash).
- ◆ **SPORTSMANSHIP.** Over-aggressive play and excessive use of foul language will not be tolerated in league play.
- ◆ **EACH PERSON CAN SIGN AND PLAY FOR ONE TEAM ONLY** for the remainder of the season, even if the other team is within the same company. Any violation of this rule will result in a forfeit of the game by both offending teams.
- ◆ **TEAM ROSTER.** The Hold Harmless and Indemnification Agreement will be considered your roster. If you make additions to your roster during the season, an updated form must be submitted to the Sports Director prior to play.
- ◆ **REFUND POLICY.** Careful consideration should be given prior to signing up for league play. Insurance premiums and other per team costs covered by the entrance fee are incurred and/or committed prior to the season and are non-cancelable. Therefore, registered teams will be responsible for the full non-refundable team fee.
- ◆ **ELIGIBILITY.** Only employees of the Lincolnshire Corporate Center, The Corporate Woods, and The Corporate Grove are eligible to play in the Center Leagues Sports Association activities.
- ◆ **BEFORE SIGNING UP.** Consider that signing up for more than one activity may create a schedule conflict for you. Be aware that golf, volleyball and softball schedules overlap and cannot be changed to fit individual circumstances.
